

New Olympic Class Vessels

George Capacci

Interim Assistant Secretary, Ferries Division, WSDOT

Washington State Transportation Commission
July 16, 2014

Tokitae

Tokitae's first day of service

- First of three funded Olympic class 144-car vessels; 1,500 passengers
- Replaces 1950s-era Evergreen State class ferries
- Began service on Mukilteo/Clinton route June 30, 2014
- Features flexible seating, improved heating and ventilation, better access for passengers with disabilities, and fuel efficiencies

Samish

- *Samish*, is currently under construction at Vigor Industrial in Seattle, WA
- Entering service in early 2015
- Third Olympic vessel under construction; delivery 2017
- WSTC to name third vessel by November 2014

Shipyard prepares to paint Samish
