

## Summer Travel Quick Poll

Final Results 6/30/10

Q1: Do you plan to change your ferry travel patterns in the upcoming peak summer travel season, July 4 – Labor Day?

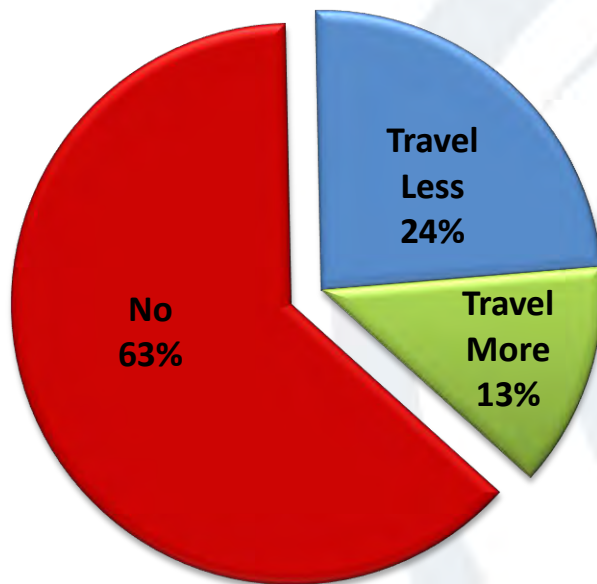

No, my travel patterns will not change

**Yes – I plan to travel LESS with a vehicle during the peak summer travel period**

- I plan to shift travel times or work hours to avoid lineups
- I will walk onto the ferry more often
- I will ride a motorcycle more often
- I will ride a bicycle more often
- I will ride a vanpool/carpool more often
- I will telecommute more often
- I will take some vacation time and not need to use the ferries as much

**Yes – I plan to travel MORE with a vehicle during the peak summer travel period**

- I plan to travel more on weekends to take advantage of good weather
- My business gets busier during the summer months

(n=2,538)
