SR 99 Public Input Meetings Scheduling Recommendations

- Target meeting dates between the May & June Commission meetings (May 17 – June 18)
 - Ensures input prior to Commission’s SR 99 Toll Rate proposal in July
- Identify locations in Seattle for 2-3 public input meetings.
Suggested options:
 - 3 meetings:
 - 1 downtown meeting
 - 2 meetings split between neighborhoods to the north and south of the tunnel.
 - 2 meetings:
 - 2 meetings split between neighborhoods to the north and south of the tunnel.
 - Additional outreach to downtown stakeholder groups.
- Coordinate with WSDOT on scheduling and content.

SR 99 Public Input Meetings Location Recommendations

Location Criteria:

- Locate within SR 99 travel shed.
- Locations with residents and/or businesses likely to use the tunnel.
- Available meeting facility.
- Alignment of location and time of day.
- Areas with expressed interest.

Recommended Options:

- Greater Ballard – Wallingford area
- Interbay (between QA, Magnolia)
- West Seattle (near WS Bridge)
- Downtown Seattle
- Central/West South Seattle
