

A stylized graphic of a road with a dashed yellow center line and solid blue outer lines, curving upwards and to the right against a light green background.

# WASHINGTON STATE ROAD USAGE CHARGE

## Pilot Project Update

Jeff Doyle, Project Manager  
D'Artagnan Consulting, LLP

Presentation to Washington State Transportation Commission

October 16, 2018  
Olympia, Washington

# PILOT OPERATIONS

- 2,105 participants after Open Enrollment
- A few issues related to when apps refresh, or driver is “signed out”
- “Real money” payment demonstration between WA and OR successful; Q3 on the way

# EVALUATION ACTIVITIES

- Five participant focus group sessions completed in late September/early October
- Survey #2 now complete; results being compiled for presentation
- Early planning for Survey #3 – last survey of participants' driving experience

# COMMUNICATIONS

- E-Newsletter to be published in late October
- WA RUC Help Desk and communications statistics

# POLICY DEVELOPMENT & PROJECT MANAGEMENT

- Policy work plan: new approach to presenting issues
- WA RUC Steering Committee meeting, November 29
- Stage 3 planning underway (post-driving period)

# THANK YOU
