

Strategically Federalizing Projects Discussion

Ashley Probart, Executive Director
October 16, 2019

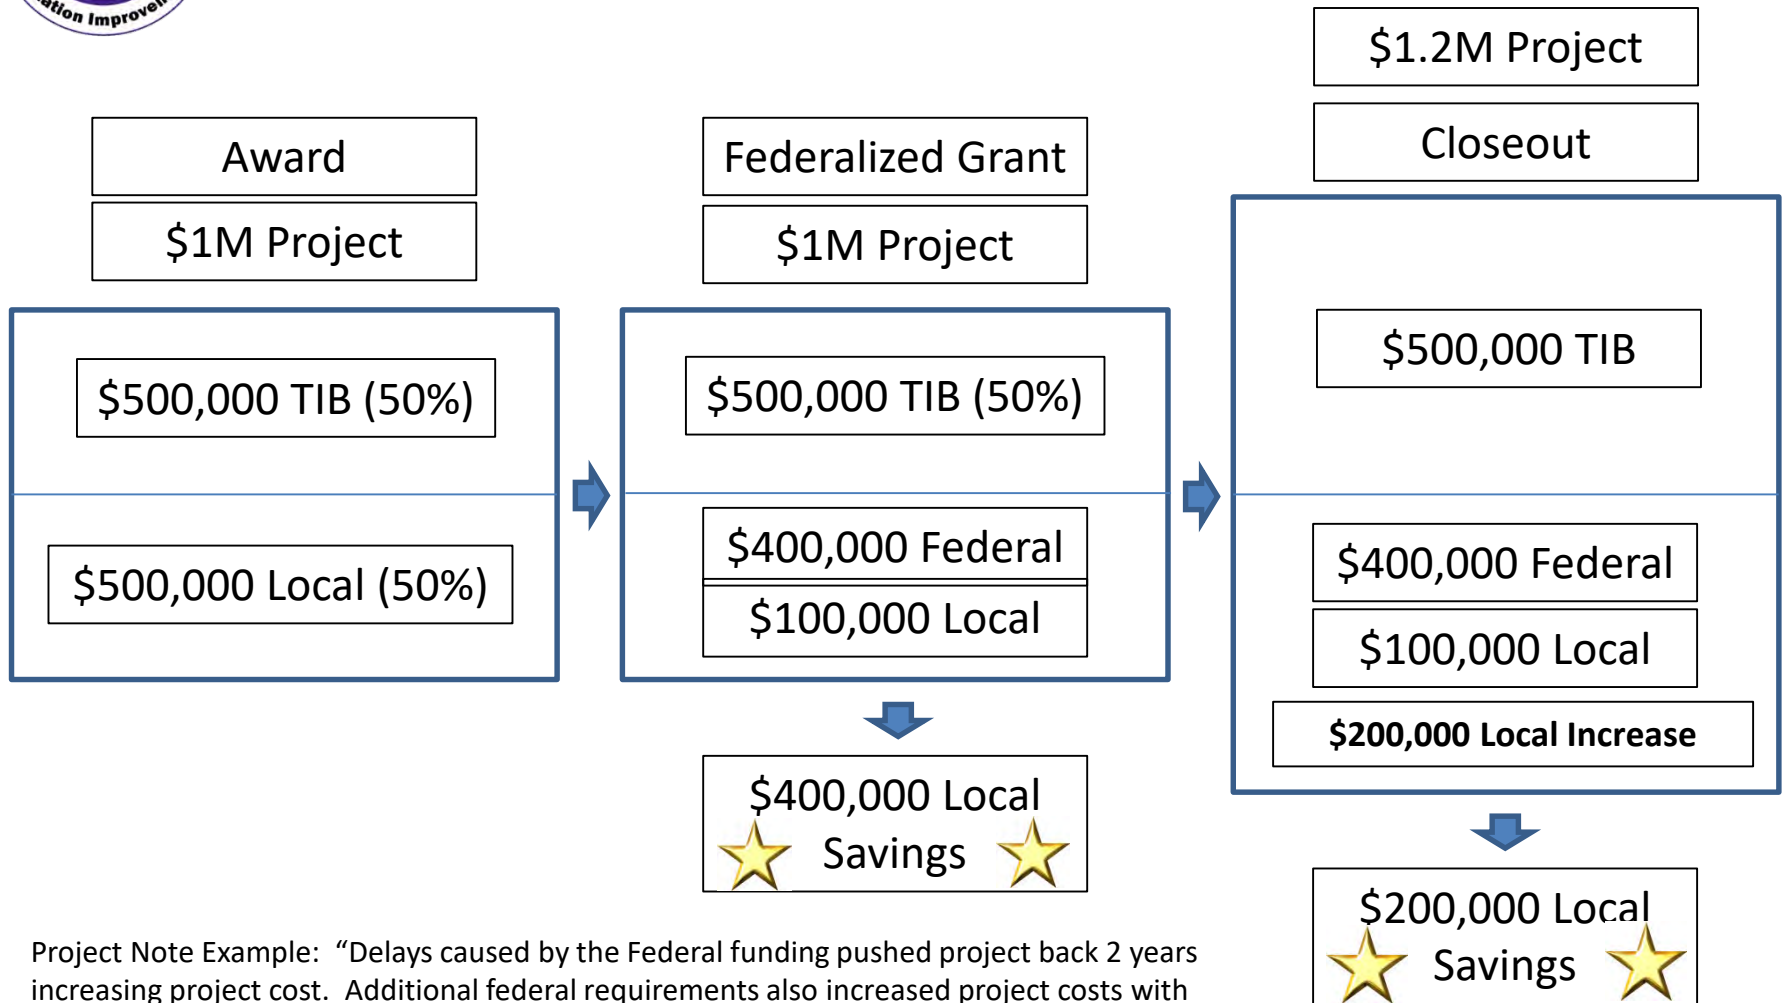

Current Practice-Example

Project Note Example: "Delays caused by the Federal funding pushed project back 2 years increasing project cost. Additional federal requirements also increased project costs with added requirement for: NEPA, ASPHALT SECTION DEPTH, HYDRAULICS, ADA RAMPS, AND MANY OTHER REGULATIONS that we had to complete over a 12 month period. We just got a notice that we are not done with the Federal Regulations yet."

No Increase-Example

Project Note Example: "Delays caused by the Federal funding pushed project back 2 years increasing project cost. Additional federal requirements also increased project costs with added requirement for: NEPA, ASPHALT SECTION DEPTH, HYDRAULICS, ADA RAMPS, AND MANY OTHER REGULATIONS that we had to complete over a 12 month period. We just got a notice that we are not done with the Federal Regulations yet."
