

AV WORK GROUP WEBSITE UPDATE

Ara Swanson
Senior Associate, EnviroIssues

WASHINGTON STATE
AUTONOMOUS VEHICLE
WORK GROUP

Washington State
Transportation Commission

Purpose and overview

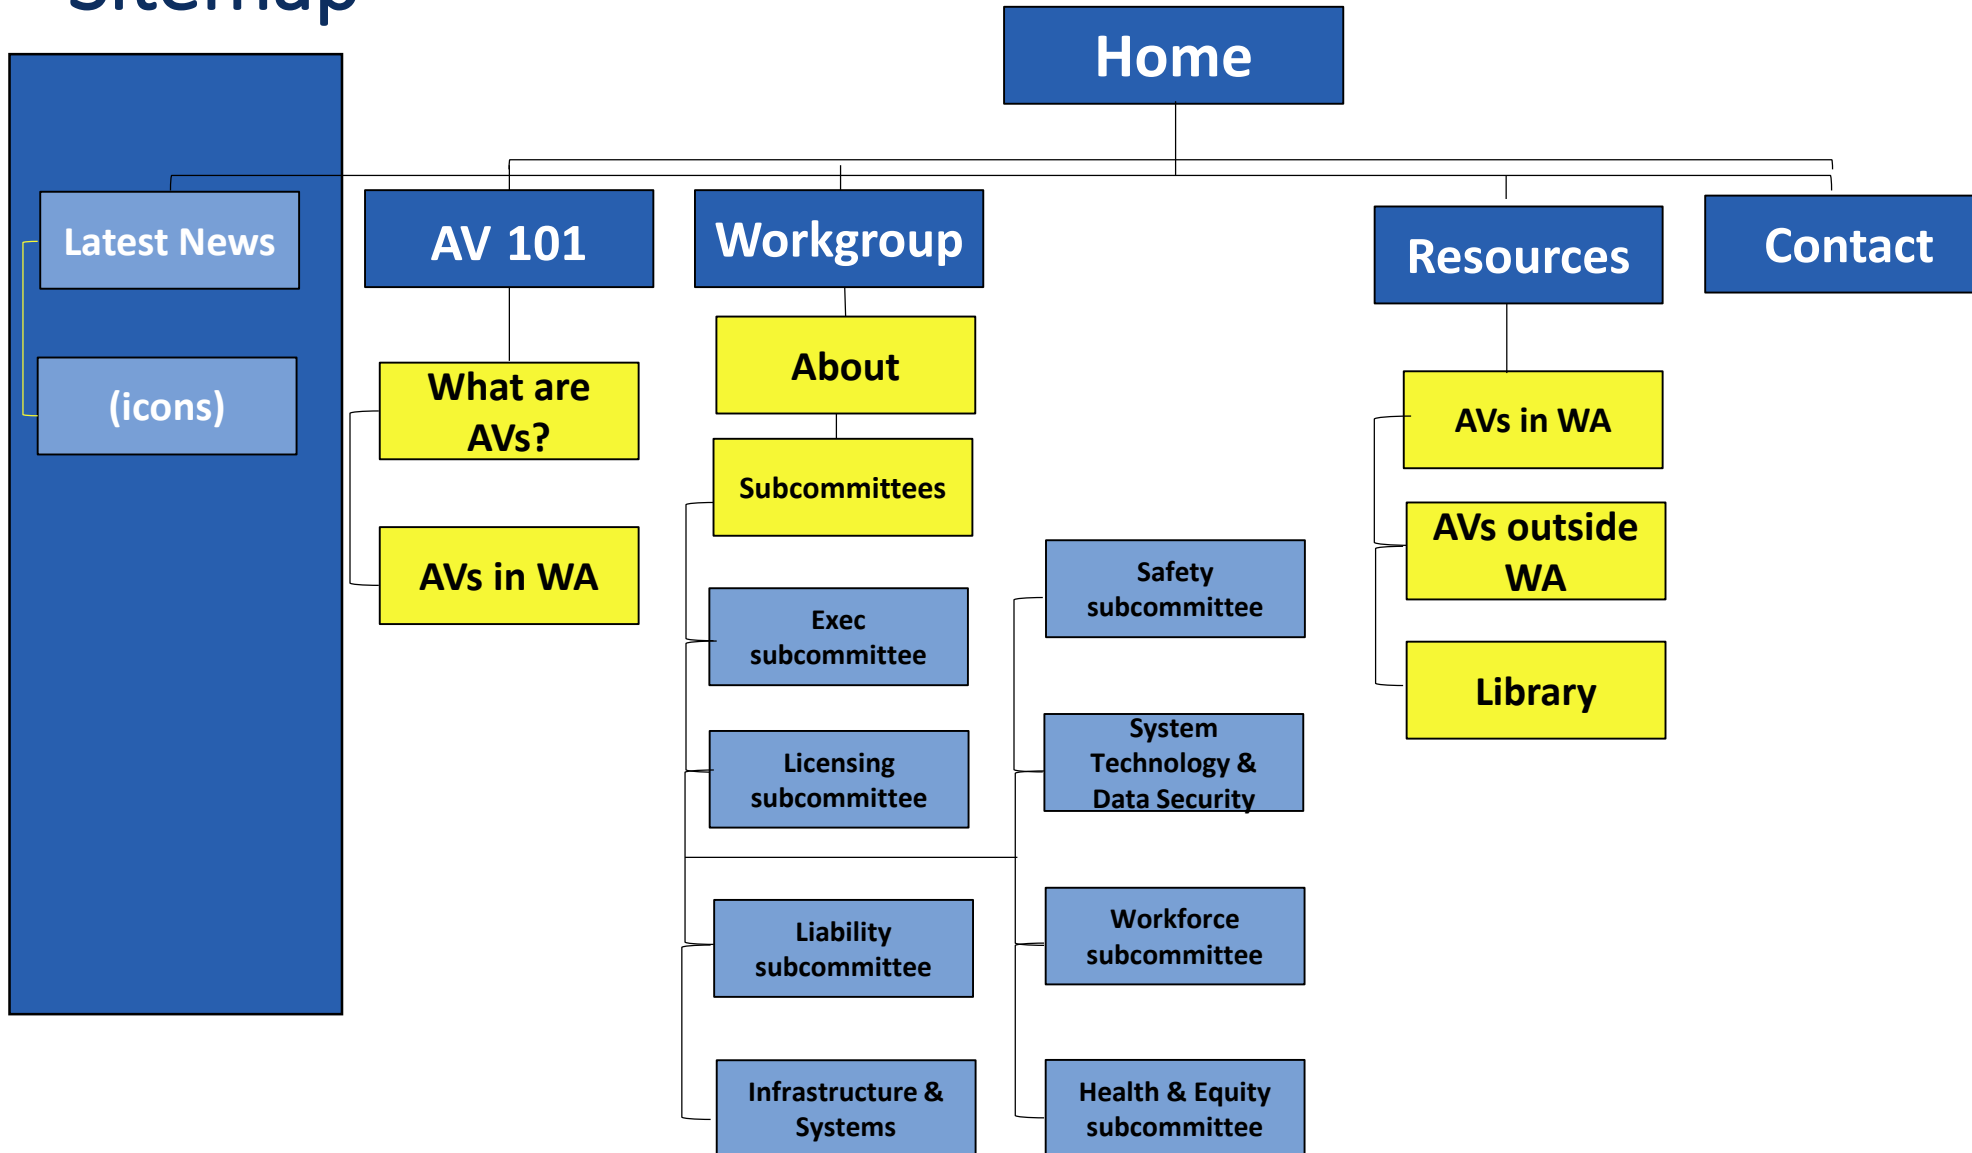

- The AV workgroup website will serve as a clearinghouse for:
 - » General AV information in Washington
 - » Work group meeting materials
 - » Detailed information on topics discussed by the work group and its subcommittees
- The website will help:
 - » Subcommittee members find past and upcoming meeting materials and dates
 - » Interested stakeholders to find information and resources on AVs in Washington
 - » Direct stakeholders to agency-specific resources

Schedule

- October 2019
 - » Continue developing and finalizing site content
 - » Begin developing draft website

- November 2019
 - » New website is launched

Subcommittees

The screenshot shows a web browser window with the URL <https://wvtsa.org>. The navigation menu includes Home, AV 101, Work Group, Resources, and Contact. The main content area is titled "Subcommittees" and features a grid of eight subcommittee buttons: Work Group, Executive Committee, Licensing Subcommittee (highlighted), Liability Subcommittee, Infrastructure Subcommittee, Safety Subcommittee, Systems & Technology Subcommittee, Workforce Subcommittee, and Health & Equity Subcommittee.
