

Minority and Women Owned Business Certification and Participation

Presentation to the Transportation Commission

March 16, 2016

What Does OMWBE Do?

- Identify and eliminate barriers to equal participation by qualified minority and women owned businesses in state agency and educational institution contracts.
- Sole certifier for state and federal programs.
- Conduct outreach.
- Report agency and educational institution state spend with certified minority and women owned businesses.

State Certification

- OMWBE is sole certifier for minority, women, and socially and economically disadvantaged businesses (RCW 39.19.120).

- Types of state certification:
 - Minority owned business enterprise (MBE)
 - Women owned business enterprise (WBE)
 - Socially and economically disadvantaged business enterprise (SEDBE)

State Certification

Why receive state certification?

- Results Washington goal: By 2017, increase state agency and educational institution's utilization of state-certified firms in public works and other contracting and procurement to:
 - 10% Minority owned businesses
 - 6% Woman owned businesses
 - 5% Veteran owned businesses
- Firm eligible to apply for Linked Deposit Program, decreases small business loan interest rates up to 2%.

Federal Certification

- Federal rule requires agencies that let USDOT funded contracts to participate in Unified Certification Program (UCP) (CFR 26.81).
- OMWBE is UCP (certifying agency).
- Types of federal certification:
 - Disadvantaged business enterprise (DBE)
 - Small business enterprise (SBE)
 - Airport concessionaire disadvantaged business enterprise (ACDBE)

Federal Certification

Why receive federal certification.

- Federally-funded transportation projects have race and gender conscious participation goals.
- Eligible for DBE Support Services administered through WSDOT.

Certification Requirements

- Licensed to do business in Washington.
- Small business according to U.S. Small Business Administration standards.
- Eligible person(s) own at least 51% of business.
- Personal net worth limits (federal only).
- Control managerial and day-to-day operations.
- Business must be able to perform commercially useful function (state only).

Supplier Diversity Reports

- Agencies and educational institutions must submit annual reports to OMWBE:
 - ▶ Amount of procurement spent with certified minority- and women-owned businesses.
 - ▶ Plans to increase spending with minority- and women-owned firms.

Results Washington Goals

By 2017, increase state agency and educational institution's utilization of state-certified firms in public works and other contracting and procurement to:

- 10% Minority
- 6% Woman
- 5% Veteran

2014 Results

State agency and educational institution percentage of eligible spend on contracts and other procurement with certified minority- and women-owned businesses = 0.54%

**Does not include payments to subcontractors*
