Check-in Procedures

Boarding Pass Printing of Online Check-in

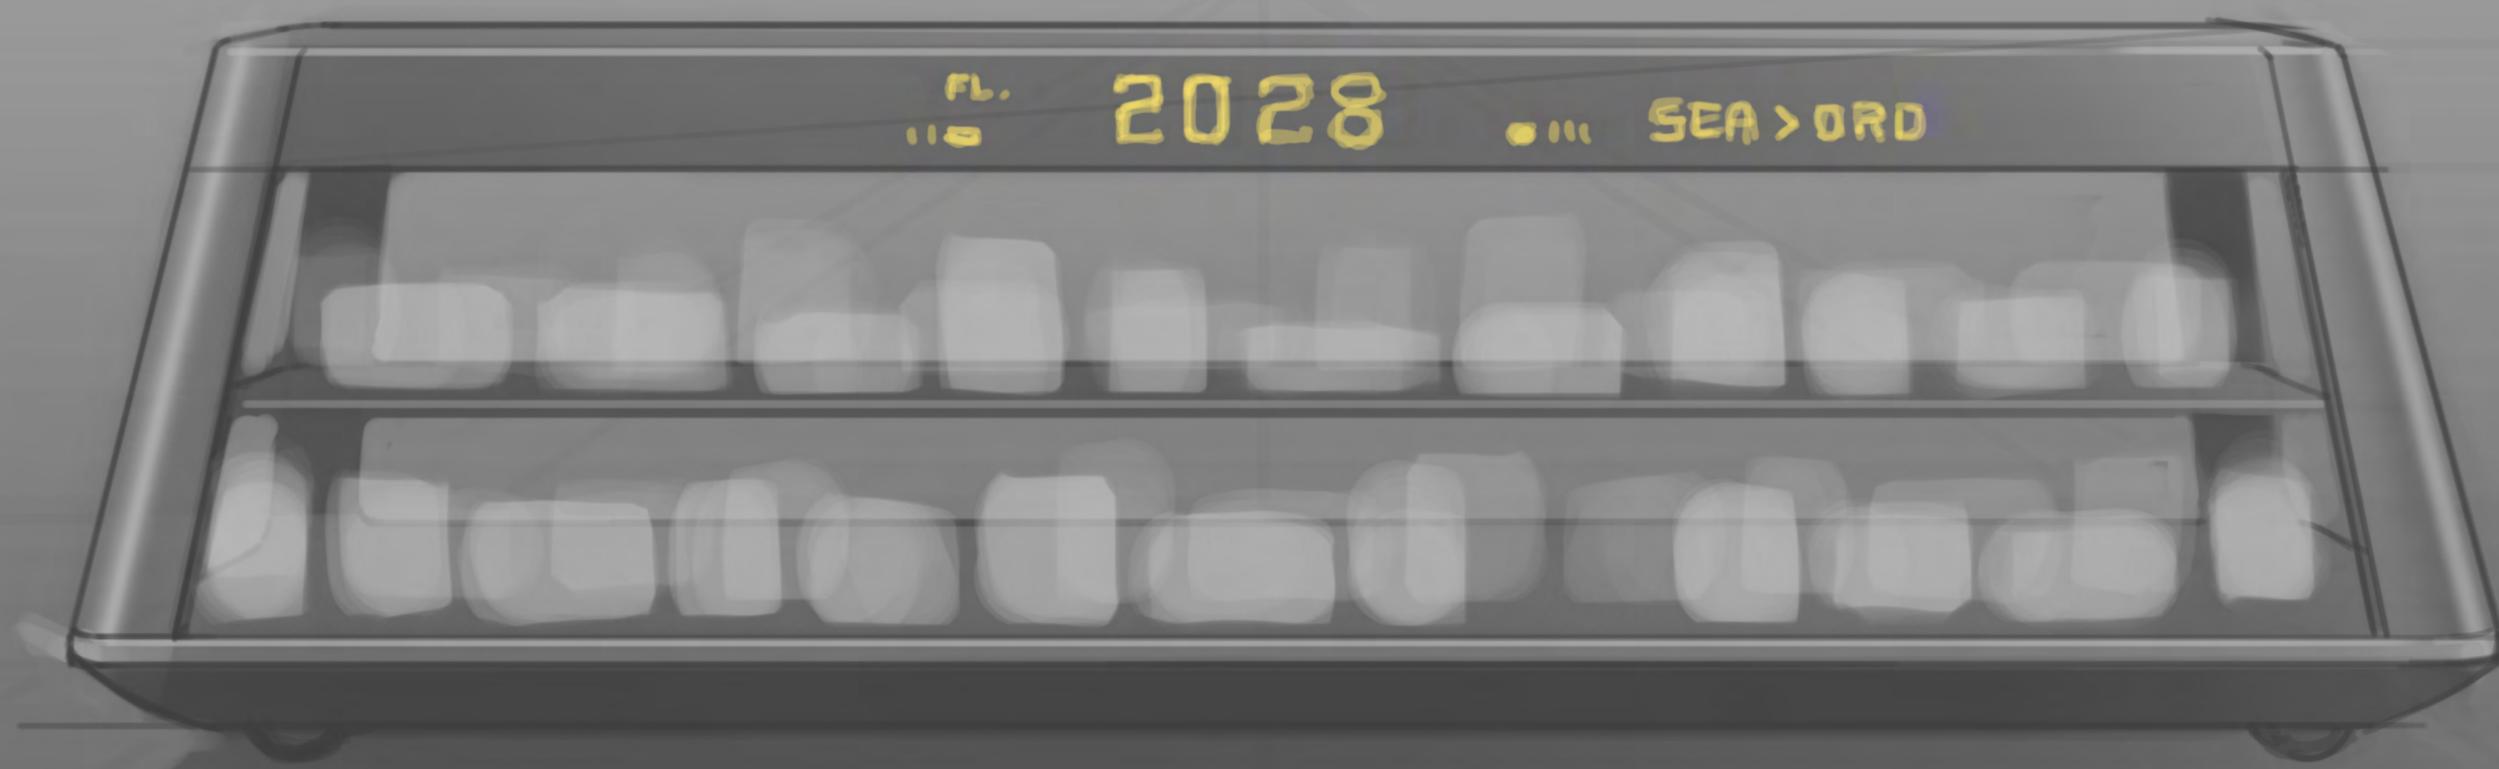

Two of the *likeliest* transformations.

Systems will become more *automated*.

FL.  
2028

2028

SEA > ORD

The proliferation of *robots,*  
*drones, and AI-powered help.*

Bus Information  
معلومات الباصات

Qatar Hamad International Airport  
قطر  
QATAR

The rise of *gesture-based* and  
other *touch-less* interactions.

*Clean metrics* will get competitive.

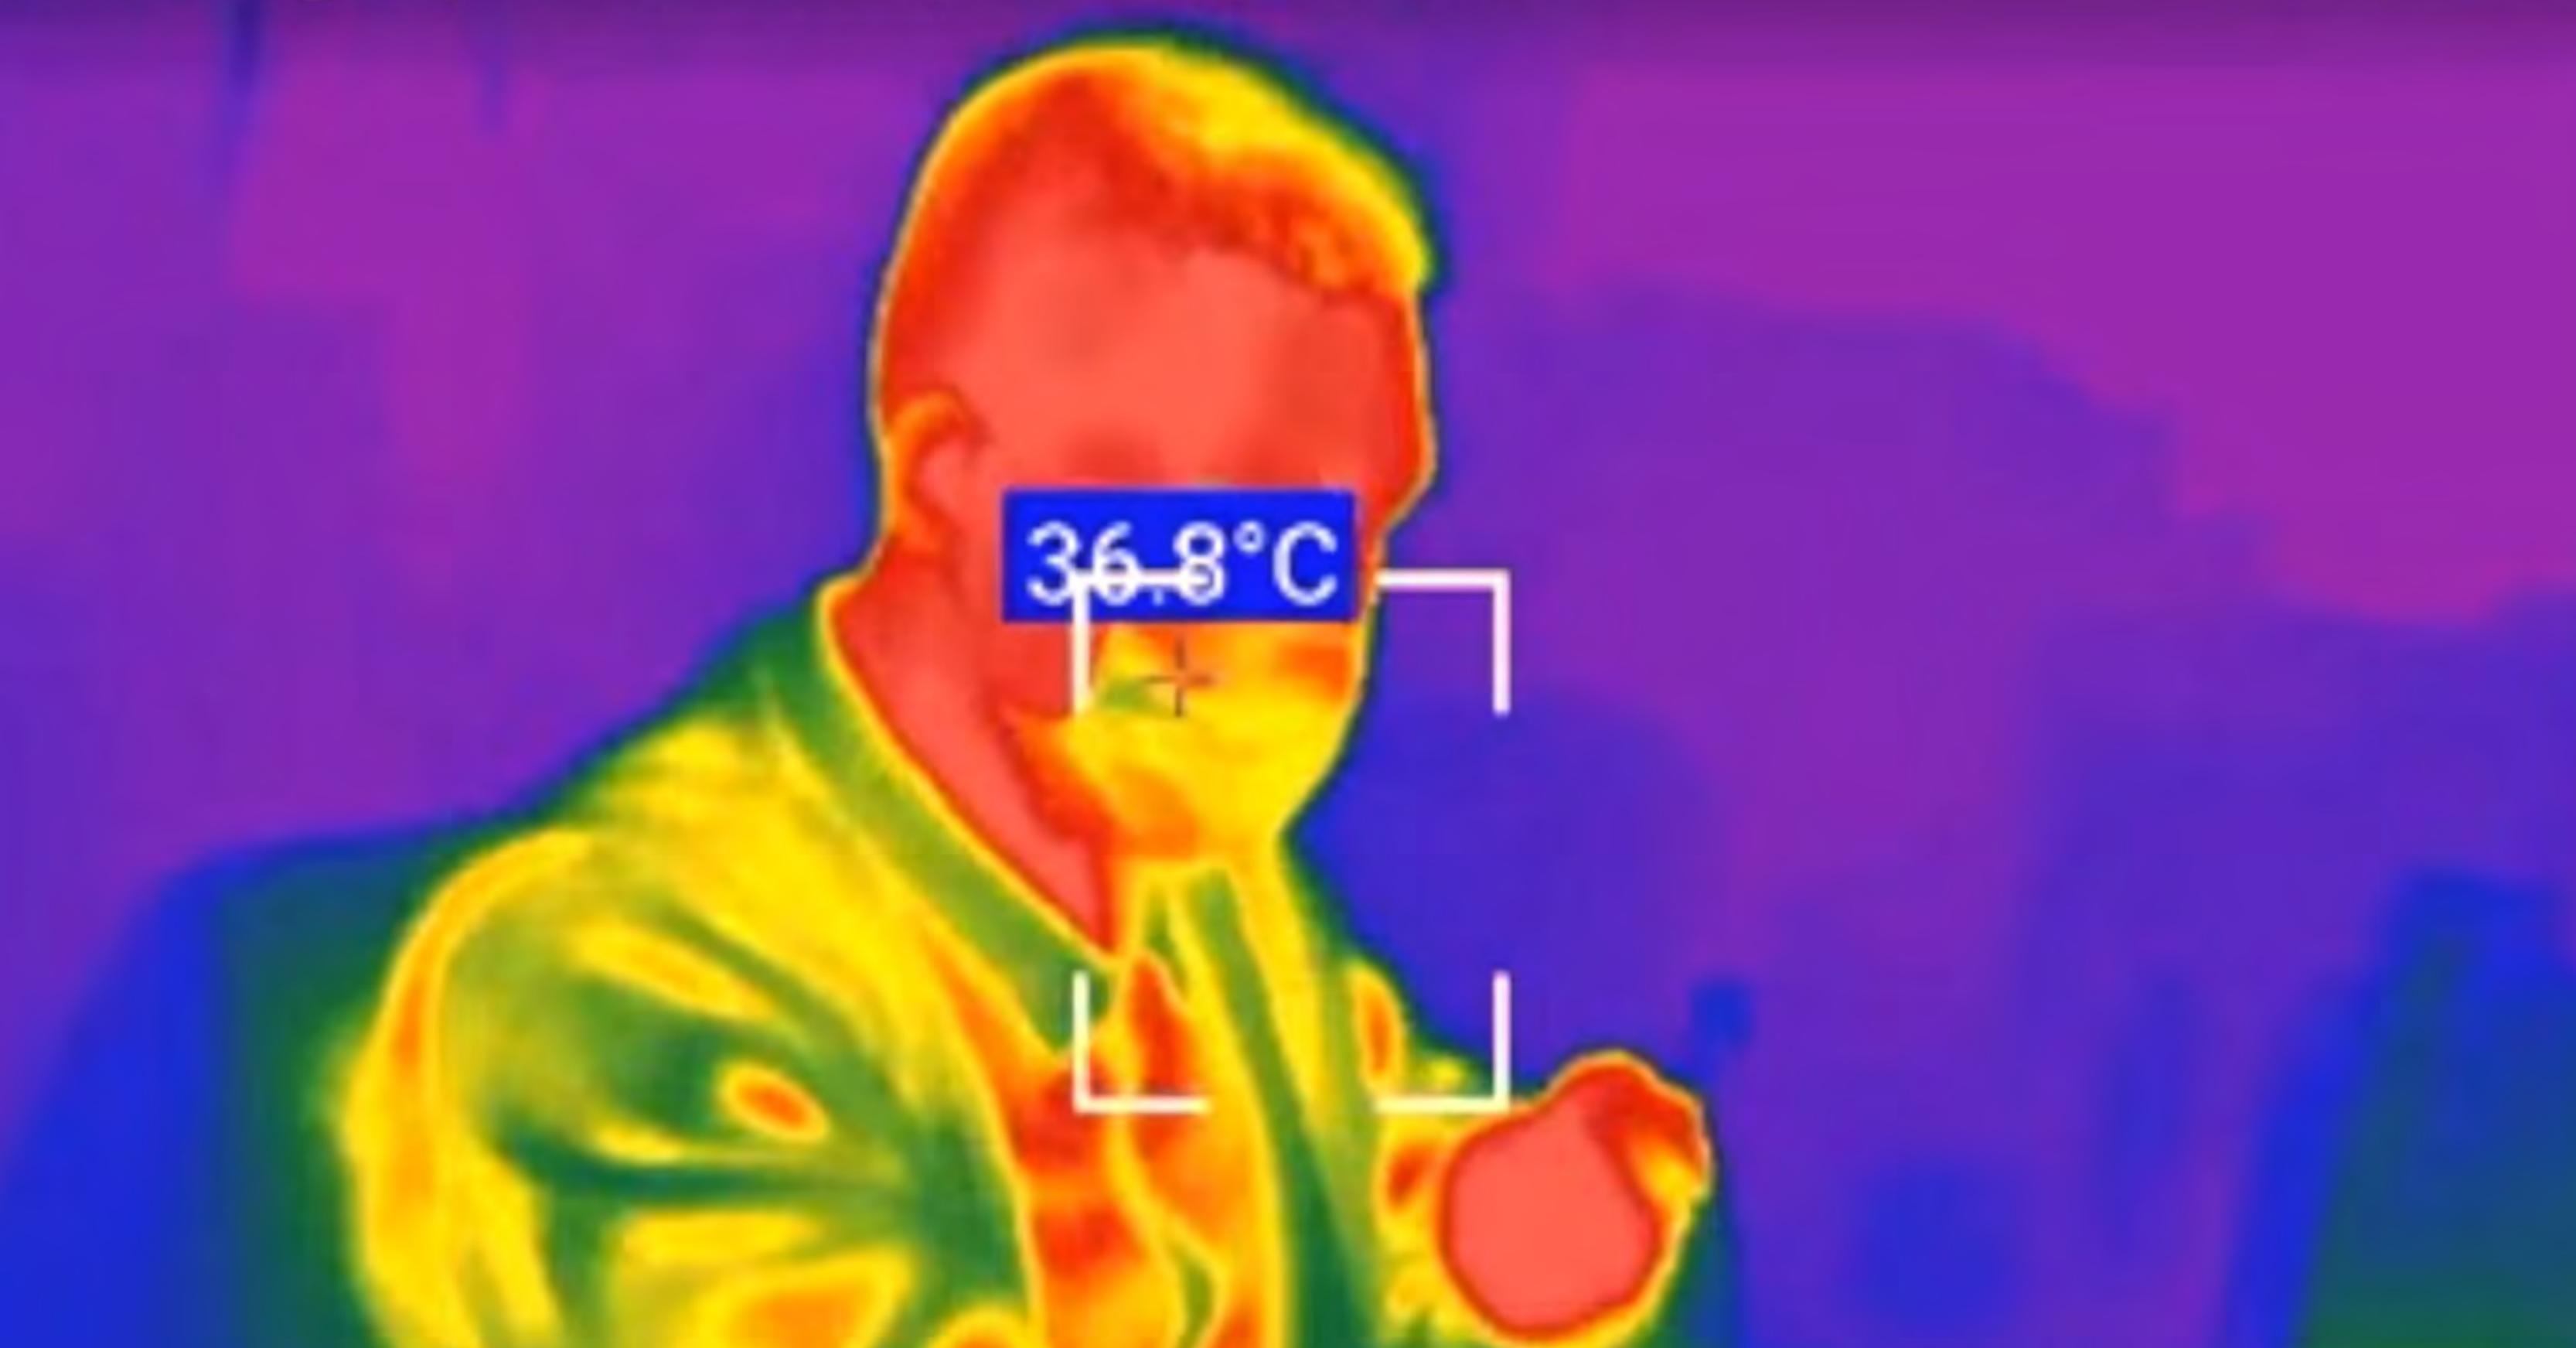

Efficiency, but no empathy.

Systems will adopt more *surveillance*.

Transportation becomes a way  
emerging health threats  
*are contained.*

Smart tunnels and other  
*biometrics-enabled spaces*  
gain even more momentum.

Hub processes get  
more *decentralized*.

## Seattle - Tacoma International Airport

Skip the line,  
go straight to  
your gate.

*With security screening  
in-transit to the airport.*
