

Ferry Reservation No-Show Fee to be Re-instated on October 1, 2020

With the onset of the COVID-19 pandemic, ferry reservation no-show fees were suspended earlier this year due to WSF agency staff shifting to a teleworking. Adjustments have been made and systems have been updated, and WSF now has the ability to handle refunds from home telework locations. Therefore, no-show reservation fees will go back into effect on October 1, 2020, with some modifications.

Table 1 (below) lists the pre-COVID-19 no-show reservation fees.

Table 2 (below) shows the modified no-show reservation rates in red, which will take effect on October 1, 2020. The modifications differentiate between the San Juan Islands destinations in line with the vehicle/driver fares – one rate for Lopez, one for Shaw/Orcas, and one for Friday Harbor.
