  - Advocacy
  - Recreation opportunities
Industrial parks (off the water)
Expanding Access to High-Speed Internet
Port-owned roadways
Challenges

• Infrastructure resources lacking for connections to the water

• Lack of funding for port-owned roadways
Helping feed the world
Sept. 25, 1980

The 125-foot-long Glacier Bay Explorer, a veteran of Alaska waters, will dock here next Tuesday on the first run of scheduled tours between Portland and the Lewiston-Clarkston Valley.
Thank you!
